

# Medicare Part D Open Enrollment November 15 - December 31

## TIPTON COUNTY COMMISSION ON AGING

*Promoting independence, wellness and advocacy  
for seniors, caregivers and their families.*

It is time to review your current Medicare Part D plan and make sure it will adequately meet your needs for 2010!

### What can TCCA do?

1. Help take the confusion out of choosing a prescription drug plan!
2. Review your current plan, update your medication lists, and check for a plan that may work better for you.
3. Help you sign up for a Prescription plan if you don't have one.
4. Help you discover if you are eligible for financial assistance paying for your drug plan. (Income is below \$1,354 individual, \$1,821 married per month and assets are below \$12,510 individual or \$25,010 married.) We will help you sign up if you qualify!

(You may also call the Social Security Administration or visit [www.ssa.gov](http://www.ssa.gov))

### 5. Answer your Medicare Part D questions!

*If you have full QMB, we may or may not be able to make changes on your behalf. You may have to go to Department of Human Services (DHS) to make changes on your Medicare Part D plan.*

Appointments  
begin on  
November 16, 2009.

### 2009 Tipton County Mass Enrollment Dates:

Thursday December 3, 2009 at Atoka City Hall, 334 Atoka Munford Avenue
